

May 7, 2007: NLC bags the Corporate Citizen –II Award

NLC was once again in the spot light of National recognition and honour when it bagged the 2006 edition of the most prestigious Business World-FICCI-SEDF CSR Award Corporate Social Responsibility from the President Shri. APJ Abdul Kalam in New Delhi on 07.05.2007. The Award was received by Shri.S. Jayaraman, CMD/NLC and Shri. P. Babu Rao-Director/Personnel. The award is given to Neyveli Lignite Corporation for the outstanding contributions made continuously in the economic, social and environmental spheres of development for the empowerment of the local community and for the betterment of the general society since its inception. This award is presented to companies for their social responsible business practices.

This Award recognizes the Corporate Social Responsibility initiatives taken by NLC in the fields of peripheral development, education, access to drinking water, medical and health care, roads, women empowerment, afforestation and environment preservation, service to disabled persons, mentally and physically challenged, sports and heritage preservation. It is to be noted that NLC had already received the SCOPE Award for the Corporate Social Responsibility for the year 2004-05.
