REGISTRATION OF MSE VENDORS UNDER SC/ST CATEGORY

Public Procurement Policy-2012 mandates minimum 20% procurement of goods & services from MSE vendors out of which 4% procurement is to be done from MSE vendors belonging to SC/ST category.

Though NLC India Limited is meeting the overall target of minimum 20% procurement, the sub-target of 4% procurement from MSE vendors belonging to SC/ST category could not be achieved due to availability of limited registered vendors.

To augment its vendor base, NLCIL invites online applications from MSE vendors belonging to SC/ST category capable of manufacturing and supply of quality products including products under any of the 358 reserved item-categories as indicated in the Public Procurement Policy-2012.
